

## Barolo Docg Ludo

A wine of great class that expresses the characteristics of the individual sub-zones from which the grapes that compose it come from, in particular the power of Bussia (in Monforte d'Alba) sweetened by the elegance of Cannubi (in Barolo) in a perfect balance guaranteed by Terlo (Village of Barolo). With the vintage 2017 we will add also the grapes of Monvigliero (In Verduno).

With a brilliant red colour slightly amber with time, exuberant in its fragrance of fruit and spices, of great body, full and velvety with a long final taste of goudron and spices.

The tannic characteristics guarantee a long life in bottle in the best vintages, also 20 years.

The first production is been about 11.000 bottles.
