Verduno Pelaverga DOC

A very particular wine, with characteristic fruity hints of strawberry, floral with broad and intense spicy notes, such as white pepper, soft and structured at the same time, thanks to the delicate balance between acidity and tannins.
With a color tending towards the light ruby, fresh and velvety, with an excellent drinkability, which is appreciated above all when the wine is young.
The annual production is of 4.000 bottles.

Species of vine

Typology: Pelaverga
Bushiness: 4.500 vines/Ha
Plant breeding: Guyot

The Vineyards

Zone: Village of Verduno (Cuneo) – 300 m.
Soil: Clayey, calcareous, sandy
